REMARKS

New claim 109 replaces ~~former~~ claim 12, and refers to an annular part 176, which preferably is a plain washer as shown in FIG. 7 and described at specification page 10, line 41. This helps brace cocking spring 172 against part 148. Please charge the "additional claim fee" of \$ 18 to Deposit Account 23-0442. According to a communication dated 17 APR. 2002, Applicants were supposed to receive a filing fee refund of \$ 130, reversing an improper "late declaration" surcharge dated 14 SEP. 2001; see refund request received 5 APR. 2002 in Office of Finance. Please review whether this has actually happened.

Respectfully submitted,

Milton Oliver
